EverTeak
Party Bar

Product Description: The EverTeak Party Bar is a stylish and functional piece for serving and entertaining friends and family. The EverTeak material is an innovative engineered polymer composed of unique virgin plastics to look and feel like real wood and is completely recyclable. Coloration is all the way through, and the material is manufactured with premium UV inhibitors. The tabletop material is made from Sintered Stone imported from Spain. The EverTeak Party Bar will be featured in two elegant maintenance-free colors – a light “Mineral” color and a darker “Alpaca” color.

Operational/Functional Aspects:

This particular piece includes an integrated storage area underneath with closing doors. The extra (raised) top piece is included.

Colors of Finishes Available:

Mineral EverTeak or Alpaca EverTeak

Milos-Cyprus
Table Group

Product Description: Tabletops on both are glass-reinforced concrete, while the bases are cast aluminum in a faux bois design resembling the branches of a tree. The organic design makes this table group a natural for outdoor settings.

Operational/Functional Aspects: Branches crafted in cast aluminum intertwine around the base of the Milos cocktail table. The aluminum on the Cyprus side table resembles a tree trunk base for the tabletop. The faux bois designs on both create patterns that are both natural and dramatic.

Colors of Finishes Available: Bone finish on concrete tops; Shiny Nickel finish on aluminum bases.

Andalusia Settee

Product Description: Skillfully crafted and executed in powder-coated aluminum frames embellished with authentic architectural design details, the Andalusia Settee captures the charm and romance of its namesake region in Spain providing an engaging sense of place. Optional poles, canopy and tassels royally elevate the experience embracing coastal Mediterranean lifestyles.

Operational/Functional Aspects: The Andalusia Settee represents the allure and romance of Mediterranean lifestyles. Created for full-time outdoor or indoor casual seating, the Andalusia Settee is artfully designed and skillfully crafted and executed to serve as complementary and accent seating as part of a much larger successful indoor/outdoor furniture collection. The Settee may be used with or without its optional poles, canopy and tassels which serve to elevate the overall appearance and experience to one of royalty, yet it is all casual and 100% outdoor worthy. Upholstered in beautiful and durable worry-free performance fabrics for many hours of quiet enjoyment or entertaining with family and friends.

Colors of Finishes Available:

Cordoba finish shown. Also available in other powder coated finishes.

Chinoiserie Garden Bench

Product Description: Constructed of genuine POLYWOOD® lumber, a proprietary blend made from sustainable materials including landfill-bound and ocean-bound plastics. Durable, all-weather lumber not prone to splinter, crack, chip, peel or rot. 20-year limited residential warranty; 3-year limited commercial warranty. Cleans easily with soap, water and a soft-bristle brush. UV-protectant and color continuously throughout the HDPE material; requires no painting or waterproofing. Marine-grade quality hardware. Made in the USA. Assembly required.

Operational/Functional Aspects:

The Martha Stewart by POLYWOOD Chinoiserie Garden Bench is a natural fit for **creating beautiful outdoor spaces**. The bench's **decorative details** highlighted by intricate latticework and elegant lines are balanced by its solid frame and all-weather durability. Whether nestled among the blooms or perched on your porch, its peaceful presence will beckon more moments outside. Add even more comfort and customize the look with a bench seat cushion in your choice of solid or patterned weather resistant fabric. Bench features comfortably contoured seat. Built to withstand a range of climates including hot sun, snowy winters and strong coastal winds.

Bali Bunching Tables

Bali Bunching Tables

Product Description: A set of three accent tables, the Bali Bunching tables offer a variety of ways to bring style to any deep seating set. The three tables of different heights and sizes can be bunched together for a layered coffee table or can be separated into two end tables and a coffee table. The woven base and metal frame support a single piece of stone-like tile on each table.

Operational/Functional Aspects:

The Bali tables are available in two finish combinations, both featuring a woven base with an aluminum frame finished in a brushed multi-step finish. The tops are each a single piece of stone-like tile that complement the wicker and metal finishes.

Colors of Finishes Available:

Smokewood grey or Latte brown.
