2021 DESIGN EXCELLENCE AWARDS

ALFRESCO HOME

Cocoon Daybed

Product Description: The Cocoon Daybed is stunning in both design and engineering. Interweavingly organic in nature, the 18 mm two-tone HDPE environmentally friendly Bicular® Wickerwork and 8 mm Jute Rope revolves around a contract grade durable and sturdy aluminum frame to create a substantial and aesthetically pleasing luxe casual lifestyle inspired lounge. Inset wheels in the rear of the Cocoon daybed assist easy transport on the patio. The next generation solution-dyed removable fabric cover wrapping the BeeWett® drainable cushion is complemented with 7 pillows. The Cocoon series also features a unique natural rope handle.

Operational/Functional Aspects:

Colors of Finishes Available:

Weave: Mocca finish

Rope: Natural Jute

JENSEN OUTDOOR

Mix Chaise
Lounge
(Left or Right)

Product Description: The luxury of choice comes to life with the design-forward Mix Ipe sectional and traditional seating collection from Jensen Outdoor. Crafted with clean lines and soft radiused edges, Mix's sleek 'window pane' FSC® certified Ipe wood seat frames offer a low frame-bed with elegantly tapered legs. The frame supports broad, yet supple, multi-layer performance foam cushions filled with your choice of Sunbrella® fabrics.

Operational/Functional Aspects: Mix is a modular seating solution that can be configured in sectional, traditional seating, or combined for the best of both. A highlight of the collection is the reversible (left/right) chaise lounge which can be used alone, as a double chaise, or as part of a sectional. Another feature highlight lies with the accessory tabletop inserts. Each insert may be rotated as desired.

Colors of Finishes Available:

FSC® certified Ipe Wood Frame, 60 Sunbrella® Performance Fabrics
