

OUTDOOR CARPETING, RUGS AND FLOORING

2021 DESIGN EXCELLENCE AWARDS

SUMMER CLASSICS

Opal Snow

Opal Snow

Product Description: Indoor/Outdoor rug made from 100% pet yarn, recycled plastic water bottles. Hand woven, fade resistant, durable and easily cleaned with any mildew or mold cleaner. Mildew grows on dirt, but fibers are mildew- and mold-resistant. Recommended use with Summer Classics rug pad for maximum air flow.

Operational/Functional Aspects: Fully recycled product, woven by hand. Unique design to look like an interior rug with functionality for all elements.

SUMMER CLASSICS

Raised Ikat
Dove

Product Description: Indoor/Outdoor rug made from 100% pet yarn, recycled plastic water bottles. Hand woven and hand knotted. Fade resistant, durable, good for high traffic areas. Fibers are mildew- and mold-resistant. Mold grows on dirt, but easily cleaned with any mildew or mold cleaner or with Dawn dish soap and water. Recommended use with Summer Classics rug pad for maximum air flow.

Operational/Functional Aspects: Fully recycled product, hand woven, extreme high/low textural design. Has the look of an interior rug with the durability and fade resistance to be used outdoors.
