Waters Edge
Chaise

Product Description: MGP in (or out) of water contoured chaise

Operational/Functional Aspects: Tired of the pool chaises that look like recycled Christmas decorations? No more filling your pool chaise with water so it doesn't float away and no more draining the water out of them in the off season for you northerners. This MGP chaise is heavy enough to sit in the water without any additional ballast. Can be used in or out of the water and comes in both a chair and a chaise length. Using virgin MGP ensures that the chaise is easy to clean and resistant to just about anything you can throw at it. Rated for residential or commercial use.

Colors of Finishes Available:
Various MGP colors.
